

2023 Operation Christmas Child at CrossLife Special Message

This year at the OCC launch, it was indicated that the group that receives the least number of boxes are the 10-14 year old boys. This year, we would like to target this group and pack boxes together on 11/12/23 as a ministry. If you feel led to participate, we thank you and ask that you consider donating in one or more of the following ways:

- Giving items in bulk (i.e. 20 deflated soccer balls each with a pump)
- Donating cash for CrossLife to purchase items for boxes and to pay for shipping and handling (\$10 per box). Donations should be placed in CrossLife offering envelope, and "OCC Mission" should be written on envelope and on check, if paying by check. If paying online, please identify "OCC Mission" in notes section.

Official Shoebox Gift suggestions:
